Regarding the ASHRAE Membership Survey.

EDITOR's Message:

ASHRAE Membership Survey - ASHRAE needs your feedback by Friday, Dec. 16 LATEST.

We all get bombarded by requests to take surveys, especially the online surveys. But this one is VERY important, as it will provide ASHRAE grassroots committees with REAL feedback from it's membership about how ASHRAE is doing, AND what improvements & changes are needed to make ASHRAE more relevant to the needs of our members!

So PLEASE take 5 minutes out of your time to help your fellow ASHRAE Volunteer Committee Members help make ASHRAE better for ALL of us!

ASHRAE MEMBERSHIP SURVEY!

Below is info on a very important survey being conducted by the ASHRAE Membership Committee. Please note the due date of Dec. 16. To date, the response to ASHRAE's original appeal for members to complete the survey has had a VERY poor response - less than 5% of those asked. This survey takes less than 5 minutes, but provides valuable information to ASHRAE in order to better serve YOU, the membership. Please take a few minutes of your time to help ASHRAE become more relevant to it's members!

Please note the contest incentives for completing the survey. Support your local ASHRAE Chapter by completing the survey NOW!
