EDITOR's Message:

Hope to see as many of you as possible at the ASHRAE Annual Conference in Indianapolis and at the joint regional dinner held on the Sunday of the conference on June 23. See flyer for details, and register online ASAP by using the below QR Code shown.

Yours in ASHRAE!

Spencer Morasch

Region I Representative & Newsletter Editor

WABC77@MAC.com

**Message from:
Steven Sill
Director and Regional Chair (DRC)
Region I**

I am Steven Sill, the Director, and Regional Chair (DRC) for Region I of ASHRAE. Region I is the oldest Region in ASHRAE. It has 15 Chapters and over 5,100 members encompassing all the Northeast.

The ASHRAE Annual Conference is fast approaching!
Being held this year in Indianapolis, IN.

The Annual Conference typically has over 1000 - 2000 participants in attendance

The Joint Regions I, III, and XI dinner will be held on Sunday, June 23 at 6 PM.
See below flyer & QR code for more details.

Members of the Region, if you have not donated to Research Promotion (RP) yet I urge you to do so. Your contribution helps ASHRAE Society fund independent research that aids in advancing the arts and sciences of our built environment. If you have any questions, please contact your Chapter's RP Chair or Eric Fontaine the Regional Vice Chair for RP. Email: efontaine@vanzelm.com

Region I's membership has been declining this Society year. I have tasked the Region's

Membership Chairs to reach out and assisting delinquent members about possible different levels of membership within Society. If you have not had a chance to pay your dues yet I encourage you to do so (before June 30) as this a great value for your career. In doing so gains you access to a 52,000-member network, ASHRAE handbook, standards, and ALL Learning courses.

Lastly, I want to acknowledge and say thank you for all you do in ASHRAE!

Cordially,
Steve Sill

2024 Region I

Chapters Regional Conference (CRC)

August 15-17, 2024

Held at The Crown Plaza Albany - Desmond Hotel,

Albany, New York

Hosted by the Northeast Chapter

The Chapters Regional Conference is an annual event held by every Region across ASHRAE, giving Chapters an opportunity to meet, collaborate, and socialize on a Regional level.

The conference offers workshops and training for incoming Chapter Officers and Committee Chairs, technical sessions and tours, business meetings, and addresses by Society Officers and Staff.

CRCs are not all about meetings and training, we have a lot of fun too! A number of social events are scheduled, which starts off with the Welcome Party.

The CRC is not only for Chapter volunteers, but families as well! While our members are busy conducting business during the day, families and companions will have their own special group activities exploring (by bus) some of the local attractions in the Albany area.

The conference concluded with an awards luncheon where dozens of awards were presented to many deserving, hardworking Chapter volunteers.

The CRC is a gathering of Region I's EXCOM & chapter members; where chapter officers, committee chairs and Board of Governor members are invited to attend.
