EDITOR's Message:

The next big Society event coming up is the ASHRAE Annual Conference, held June 21 - 25, 2025 in Phoenix, AZ. This is just like the Winter Conference, except there is no AHRI Expo. However, all 5 days are packed with standing committee, technical committee, council and Board of Directors meetings as well as many social activities & tours. Since there is no Expo, attendance is reduced, however, close to 2000 are expected to attend.

- The Region I event at the conference is the joint Region I, III & XI dinner. Yours truly will once again help man the dinner check-in table, where I will be

able to meet many of you in person! Scroll down to see the dinner flyer with QR code for registration & payment.

- Representatives from three New York State ASHRAE Chapters (there are 8 ASHRAE Chapters in NY) participated in a "Day on the Hill" event in Albany - scroll down for more info.
- Finally, Region I's Executive Committee and President-Elects from most of the 15 Chapters in Region I gathered in early May over a two day period to attend the Region I Planning Meeting & President Elect Training held in Troy, NY. This is held to help prepare for the upcoming Society year, which begins on July 1 (2025-2026). Scroll down to see the photos.

Live better - through ASHRAE!

Hold Day on the Hill in Albany

Hold Day on the Hill in Albany

ASHRAE members (below photo from left): Matthew Catan, Charlie Bertuch, Jim Parks, Rich Smith, Ryan Kilgore, and Sameer Bhise at the New York State Capitol.

- On May 8, six ASHRAE members from New York State held a successful Day on the Hill event in Albany at the state Capitol and Legislative Office Building.
- ASHRAE members Charlie Bertuch, Director and Regional Chair for Region I, from the Central New York Chapter; Sameer Bhise, Ryan Kilgore, Jim Parks and Matthew Catan from the Rochester Chapter; and Rich Smith from the Long Island Chapter participated in the series of meetings.

The Day on the Hill included 13 meetings with legislators & staff. Topics covered in the meetings included an introduction to ASHRAE as well as discussions on indoor air quality, the ongoing refrigerant transition, and energy efficiency.

The New York members also stopped by additional legislative offices to briefly introduce themselves and leave behind ASHRAE materials.

If you or your chapter are interested in conducting a Day on the Hill event, please contact the ASHRAE Government Affairs staff at GovAffairs@ashrae.org.

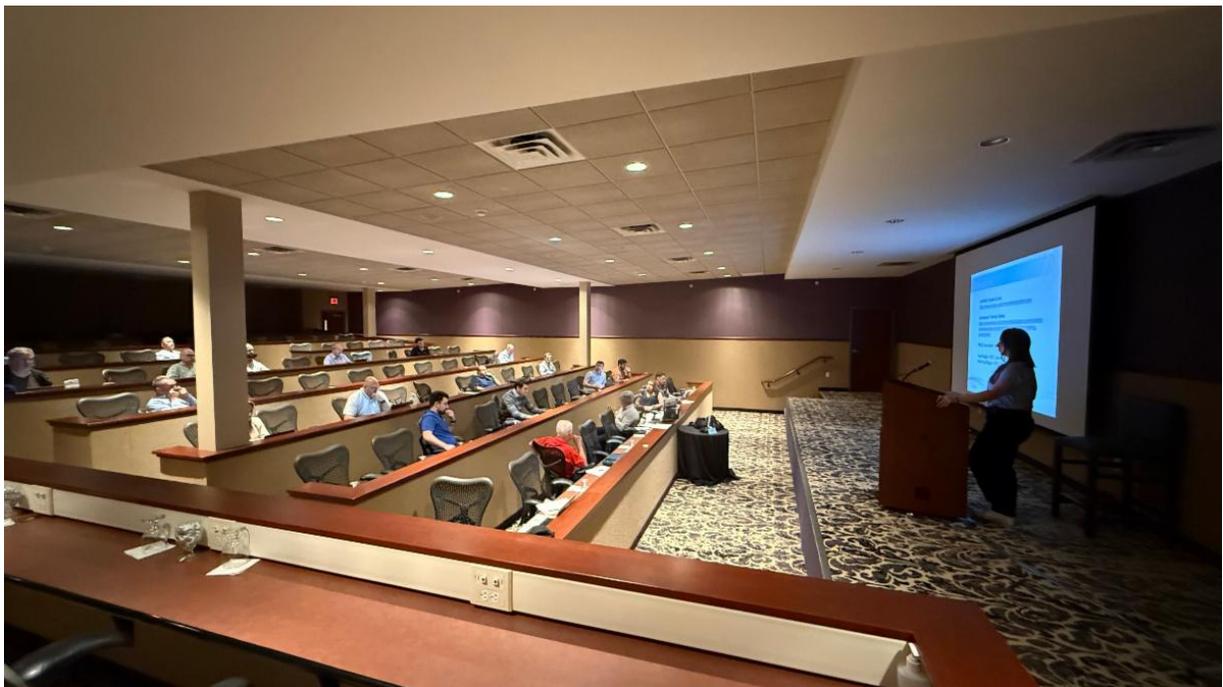

Region I Planning Meeting & President Elect Training

Region I held it's Annual Planning Meeting and President Elect Training in Troy, NY on May 2 & 3.

This is where Region I's Executive Committee (approx. 18 members) and President Elects from the 15 Chapters in Region I are invited to attend the two day event. Scroll down for photos taken during the event.

Below: President Elect Training was held in the amphitheater of the Hilton Garden Inn, Troy, NY. Members of the Region I Executive Committee conducted training for the President Elects of the Chapters in Region I.
